To access this service you will need a personal computer and a web browser (such as Firefox or Microsoft Internet Explorer). The address for Internet Banking is www.roguecu.org. You are responsible for the installation, maintenance and operation of your computer and modem. The Credit Union will not be responsible for any errors or failures involving any telephone service or your computer.

A. Internet Banking Transactions. At the present time, you may use Internet Banking to:

- Transfer funds between your savings, checking, and loan accounts, as allowed, including loan payments.
- Transfer funds to accounts of other members as authorized.
- Review savings and checking account balance, transaction history and dividend information. Review loan account balance, transaction history, payment dates and finance charges.

Transactions involving your loan accounts will be subject to your Loan Agreement and Disclosures. The Credit Union does not make any warranty, express or implied, to you regarding the Intuit Quicken, QuickBooks or any other software programs including but not limited to any warranty of merchantability or fitness for a particular purpose.

B. Internet Banking Service Limitations. The following limitations on Internet Banking transactions may apply:

i. Transfers. You may make funds transfers between accounts as often as you like. However, transfers from your Money Market accounts will be limited to a total of six (6) in any one month. You may transfer or withdraw up to the available balance in your account or up to the available credit limit on a line of credit at the time of the transfer, except as limited under this Agreement or your deposit or loan agreements. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. The Credit Union may set other limits on the amount of any transaction and you will be notified of those limits.

ii. Account Information. The account balance and transaction history may be limited to recent account information. Availability of funds for transfer or withdrawal may be limited due to the processing time required for ATM deposit transactions and our Funds Availability Policy.

iii. E-Mail. You may use E-mail to send messages to us. E-mail may not, however, be used to initiate a transfer on your account. The Credit Union may not immediately receive E-mail communications sent by you; therefore, the Credit Union will not take action based on E-mail requests until we receive your E-mail and have had a reasonable opportunity to act. Contact the Credit Union immediately regarding any unauthorized transaction or stop payment request; call the Credit Union at the telephone number set forth below.

C. Account Alerts. The Account Alerts service is a tool for managing accounts. By enrolling for Account Alerts, you expressly consent to the Credit Union communicating with you by email or text with contact information you have provided. Account Alerts should not be relied upon solely for account information. While the Credit Union makes every effort to ensure alerts are delivered as expected, there are conditions that may make the alerts unreliable such as, but not limited to: spam filters, relay detectors, inaccurate or obsolete email addresses, network or system failures, etc. The Credit Union recommends that the service be tested prior to regular use to identify any limiting conditions that may be present. The Credit Union does not guarantee the delivery of any account alert. Carrier data and message rates may apply.

2. Bill Pay Services.

When you apply for the bill payment service ("Bill Pay") you must designate your checking account as the account from which payments that you authorize will be deducted. You will be given the ability to set up merchants, institutions or individuals that you would like to pay. You are not permitted to designate governmental agencies or courts. All payees must be in the United States. We reserve the right to not allow the designation of a particular merchant or institution. Your enrollment in Bill Pay may not be fulfilled if we cannot verify your identity or other necessary information. In order to verify ownership of the Payment Account(s) or Billing Account, we may issue offsetting debits and credits to the Payment Account and Billing Account and require confirmation of these transactions from you. Through your enrollment in Bill Pay, you agree that we may request and review your credit report from a credit reporting agency. In addition, you agree that we may obtain financial information regarding your account from a payee or your financial institution to resolve payment posting problems or for verification.

A. Service Access. Upon approval, you may use your personal computer to access your accounts. You must use your username along with your security code to access your accounts. The Bill Payment service is accessible seven (7) days a week, 24 hours a day. However, from time to time, some or all of the Credit Union's Bill Payment services may not be available due to system maintenance. You will need a personal computer, Internet access and an appropriate web browser (such as Safari, Google Chrome or Microsoft Internet Explorer). The online address for the Bill Payment service is www.roguecu.org. You are responsible for the installation, maintenance and operation of your computer. The Credit Union will not be responsible for any errors or failures involving any internet service provider, telephone service or your equipment.

B. Service Definitions

"Payee" is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

"Payment Instruction" is the information provided by you to the Credit Union for a bill payment to be made to the Payee (such as, but not limited to, Payee name, Payee account number, and Scheduled Payment Date).

"Payment Account" is the checking account from which bill payments will be debited.

"Billing Account" is the checking account from which all service fees will be automatically debited.

"Business Day" is every Monday through Friday, excluding Federal Reserve holidays.

"Scheduled Payment Date" is the day you want your Payee to receive your bill payment and is also the day your Payment Account will be debited, unless the Scheduled Payment Date falls on a non-Business Day in which case it will be considered to be the previous Business Day.

"Due Date" is the date reflected on your Payee statement for which the payment is due. It is not the late date or grace period.

"Scheduled Payment" is a payment that has been scheduled through the Bill Pay Service but has not begun processing.

C. Payment Scheduling. The earliest possible Scheduled Payment Date for each Payee (typically four (4) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, you will not be permitted to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Payee. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Payee statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Due Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates should be prior to any late date or grace period.

D. Bill Pay Transactions. You authorize us to process Bill Pay transactions from your checking account. You or any persons who you have authorized to use your Bill Pay service or Password can perform the following Bill Pay transactions:

- Make Bill Payments. Pay any designated merchant, institution or individual in accordance with this agreement, a fixed recurring amount or a variable amount from your designated checking account.
- Obtain Information. Obtain information (payee information, payment status information, etc.) about your bill payment account status.
- Bill Pay Payment Transactions. You authorize us to process bill payments from your designated account. You may use the Bill Pay service to initiate different types of payment transactions.

E. Payment Transactions. You may use Bill Pay to initiate two different types of bill payment transactions:

- "Single" payments are payments scheduled one-time, for an amount on a date you schedule, which should be at least 3 business days before the date your payment is due to assure a timely payment.
- "Recurring" payments are payments that reoccur on a preset date with a fixed amount. You have the option in Bill Pay to set recurring payments with a specific stop date.

F. Number and Authorized Payees. You may schedule payments with unlimited payees located in the United States. You may not make payments to federal, state or local governments or other categories of payees we designate from time to time. When you submit a Bill Pay transaction, you authorize us to transfer funds from your checking account. We will process Bill Pay transactions only to those payees the Credit Union has designated, payees you authorize and payees for whom the Credit Union has the proper payee member number. The Credit Union will not process any Bill Pay transfer if we know the required transaction information is incomplete. In any event, the Credit Union will not be liable for any transaction that contains incorrect information that the Credit Union was not responsible for entering or knowing. If there are insufficient funds in your account to process the Bill Pay transaction, we may refuse to process the transaction or we may process the transaction and transfer funds from any overdraft protection account you have authorized. The Credit Union reserves the right to refuse to process transactions that reasonably appear to the Credit Union to be fraudulent or erroneous.

g. Service Guarantee. Due to circumstances beyond the control of the Credit Union, particularly delays in handling and posting payments by Payees or financial institutions, some transactions may take longer to be credited to your account. The Credit Union will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.

h. Bill Payment Authorization and Payment Remittance. By providing the Credit Union with names and account information of Payees to whom you wish to direct payments, you authorize the Credit Union to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Credit Union may edit or alter payment data or data formats in accordance with Payee directives.

When the Credit Union receives a Payment Instruction, you authorize the Credit Union and its processing agents to debit your Payment Account and remit funds on your behalf so that the funds arrive as soon as reasonably possible after the Scheduled Payment Date designated by you. You also authorize the Credit Union and its processing agents to credit your Payment Account for payments returned to the Credit Union by the United States Postal Service or Payee, or payments remitted to you on behalf of another authorized user of the Bill Pay Service. The Credit Union will use its best efforts to make all your payments properly. However, the Credit Union shall incur no liability and any Service Guarantee shall be void if the Credit Union is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

- i.** If, through no fault of the Credit Union, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
- ii.** The payment processing center is not working properly and you know or have been advised by the Credit Union about the malfunction before you execute the transaction;
- iii.** You have not provided the Credit Union with the correct Payment Account information, or the correct name, address, phone number, or account information for the Payee; and/or,
- iv.** Circumstances beyond control of the Credit Union (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Credit Union has taken reasonable precautions to avoid those circumstances. Provided none of the foregoing exceptions are applicable, if the Credit Union causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Payee which does not comply with your Payment Instructions, the Credit Union shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Payee any previously misdirected transactions, and, if applicable, for any late payment related charges.

i. Payment Methods. The Credit Union reserves the right to select the method in which to remit funds on your behalf to your Payee. These payment methods may include, but may not be limited to, an electronic payment, an electronic check payment, or a laser draft payment. (Funds remitted to the Payee are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

j. Payment Cancellation or Changing Bill Pay Requests. You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the credit union has begun processing a payment it cannot be canceled or edited, therefore a stop payment request must be submitted. If you discover an error or want to change a transaction (i.e. payment date or payment amount) for a Bill Pay transaction you have already submitted you may electronically edit or cancel your transaction through Bill Pay. Your cancellation or change request must be submitted through Bill Pay before the payment is withdrawn from the account. If your transaction is not canceled in a timely manner, you will be responsible for the payment.

k. Stop Payment Requests. The Credit Union's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Credit Union may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Customer Service. Although the Credit Union will make every effort to accommodate your request, the Credit Union will have no liability for failing to do so. The Credit Union may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

l. Prohibited Payments. Payments to Payees outside of the United States or its territories are prohibited through the Bill Pay Service.

m. Exception Payments. Tax payments and court ordered payments may be scheduled through the Bill Pay Service, however such payments are discouraged and must be scheduled at your own risk. In no event shall the Credit Union be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee as it applies to any late payment related charges is void when these types of payments are scheduled and/or processed by the Credit Union. The Credit Union has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be the sole responsibility of you and not of the Credit Union.

n. Bill Delivery and Presentation. This feature is for the presentation of electronic bills only and it is your sole responsibility to contact your Payees directly if you do not receive your statements. In addition, if you elect to activate one of the Bill Pay Service electronic bill options, you also agree to the following:

i. Information provided to the Payee. We may, at the request of a Payee, provide to the Payee your e-mail address, service address, or other data personally requested by the Payee at the time of activating the electronic bill for that Payee, to inform you about any bill information. The Credit Union is unable to update or change your personal information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Payee. Any changes will need to be made by contacting the Payee directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Payee sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill.

ii. Activation. Upon activation of the electronic bill feature the Credit Union may notify the Payee of your request to receive electronic billing information. The presentation of your first electronic bill may vary from Payee to Payee and may take up to sixty (60) days, depending on the billing cycle of each Payee. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Payee. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Payee reserves the right to accept or deny your request to receive electronic bills.

iii. Authorization to Obtain Bill Data – By activating and using the electronic bill feature for a Payee you authorize us to obtain bill data from the Payee on your behalf. For some Payees, you will be asked to provide us with your username and password for that Payee. By providing us with such information, you authorize us to use the information to obtain your bill data.

iv. Notification. The Credit Union will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Bill Pay Service, the Credit Union may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically login to the Bill Pay Service and check on the delivery of new electronic bills. The time for notification may vary from Payee to Payee. You are responsible for ensuring timely payment of all bills.

v. Cancellation of Electronic Bill Notification. The electronic Payee reserves the right to cancel the presentation of electronic bills at any time. You may cancel electronic bill presentation at any time. The time frame for cancellation of your electronic bill presentation may vary from Payee to Payee. It may take up to sixty (60) days, depending on the billing cycle of each Payee. The Credit Union will notify your electronic Payee(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. The Credit Union will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

vi. Non-Delivery of Electronic Bill(s). You agree to hold the Credit Union harmless should the Payee fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Payee directly.

vii. Accuracy and Dispute of Electronic Bill. The Credit Union is not responsible for the accuracy of your electronic bill(s). The Credit Union is only responsible for presenting the information we receive from the Payee. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Payee directly. This Agreement does not alter your liability or obligations that currently exist between you and your Payees.

3. External Funds Transfer Service.

Within the Internet Banking service, you may separately enroll for the External Funds Transfer service for transferring funds between your linked personal deposit accounts at the Credit Union and certain deposit or card accounts at other financial institutions. The accounts at other financial institutions to or from which you request transfers are funds transfer accounts ("FT Accounts"). An "Inbound transfer" moves funds into your Credit Union account from an FT Account. An "Outbound transfer" moves funds from your Credit Union account to an FT Account. You will need to register each of your FT accounts that you wish to use for these transfers. You agree that you will only register accounts for which you have the authority to transfer funds.

a. Service Eligibility. You authorize us to verify your identity by obtaining information about your credit history from a consumer credit reporting agency to be used in accordance with the Fair Credit Reporting Act and other applicable laws. You agree to use the Service for legal purposes and not in violation of any laws, including but not limited to, laws and regulation designed to prevent Money Laundering. If any of your FT Accounts has a joint account holder, you represent and warrant that the joint account holder has consented for you to represent both and use the account with this Service. If you do not give such consent, you should not use that account and we will terminate your use of Service if we are notified of such situation

b. Service Limitations. All FT Accounts must be with financial institutions in the United States. No International transactions are supported with the Service. Not all types of accounts are available for funds transfer service. For example, retirement, business or corporate accounts. Also you must check with your financial institution to verify their ability to participate in external funds transfer service. Also, there may be limitations related to each transaction such as total amount, number of transactions allowed, or total transaction amounts defined by your financial institution.

c. FT Account Setup.

i. Adding FT Accounts. To add an FT Account, you authorize us to access such FT Account as needed to provide this service. Upon adding an FT Account, you authorize us, if necessary, to make small deposits and/or withdrawals to the FT Account to confirm your control of the account. The withdrawal(s) amount(s) will never be greater than the deposit(s) amount. You agree to verify online the amounts of such deposits and/or withdrawals.

ii. ACH Transfers. Upon your request, we will make electronic transfers from your designated and active FT Accounts via the Automated Clearing House (ACH) system in the amount you specify. You agree that such requests made with this Service constitute your written authorization for such transfers. You understand that your bank may limit the number of transactions that you authorize using your savings or money market account.

d. Transfer Limitations & Requirements.

i. Transfer Cut-Off. Funds will be debited the business day after you initiate the transfer, and will be credited on the third business day after you initiate the transfer. Any inbound transfer attempt returned due to insufficient or uncollected funds will be re-submitted once for collection upon receipt of the original return entry. The cut-off time for Standard Transfers is 7 p.m. Pacific Standard Time. Any standard transfer made after the cut-off time will be initiated the next business day.

ii. Transfer Limits. Transfer limits are defined at enrollment to the service. These daily and monthly dollar limits apply to the total of all transfers for all accounts linked to the user profile. Any transfer initiated on a day that is not a business day counts toward the applicable limit for the next business day. A transfer remains In Process until fully processed and it will appear as "In Process" on your Transfer Funds tab within Internet Banking. Standard transfers typically remain In Process until the close of the third business day after the transfer is initiated.

We may change your transfer limits at any time. Any decrease will be subject to notice, as required by law, but you agree that we may reduce your limits without prior notice upon occurrence of a Disqualifying Event, including: (i) any of your Credit Union accounts are not current or are not in good standing, (ii) you have had an overdraft, an over-limit item, or an item returned for insufficient funds with respect to any Credit Union account during the current or three prior calendar months, or (iii) you have had any prior transfer to or from a non-Credit Union account canceled, revoked, or uncompleted due to insufficient funds, revoked authorization, stopped payments, frozen accounts, or any similar reason.

iii. Modifying or Canceling Transfers. Pending transfer instructions can be canceled or modified until the status changes to "In Process". Transfer Instructions cannot be canceled or modified after cut-off time on the transfer date. If you close any of your FT Accounts, you are responsible to remove it from the Service to avoid any transaction failure and charges related to a failed transaction. There may be additional fees to you for failed transactions

iv. Status E-mail. We will periodically send messages to your primary e-mail address during the external funds transfer process. These messages will provide information pertaining to the trial deposit process, confirm account linkages, and contain status updates for transfers in progress. Primary e-mail address is defined in Internet Banking and you are responsible for updating the address should it change. E-mail messages regarding the funds transfer process do not contain any non-public personal information and cannot be suppressed.

4. PopmoneySM Personal Payments Service.

The PopmoneySM Personal Payments Service (Popmoney Service) enables you use of the Credit Union online banking service: (1) to initiate a payment transaction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (2) to receive a payment transaction from another person into an Eligible Transaction Account, in U.S. dollars. Although the ACH Network is often used to execute Popmoney Service payment transactions, other Payment Networks may be used to facilitate the execution and transmission of payment transactions. All payment transactions must be made through the Credit Union online banking service and are subject to the terms of this Agreement. Receipt of payment transactions may be made through the Credit Union online banking service subject to the terms of this Agreement. However, in some instances, receipt of payment transactions may be made through www.Popmoney.com (the "Popmoney Website") and if you choose to initiate or receive a payment transaction at the Popmoney Website you agree that you shall be subject to the terms of other agreements, including, but not limited to, the "terms of use" for the Popmoney Website.

a. Definitions. "ACH Network" means the funds transfer system, governed by the NACHA Rules that provides funds transfer services to participating financial institutions.

"Eligible Transaction Account" is a transaction account (checking, money market or other direct deposit account, credit card account, or debit card account, including any required routing information) from which your payments as a Sender will be debited, any Popmoney Service fees will be automatically debited, or to which payments and credits to you will be credited.

"Payment Instruction" is the information provided by the Sender to the Popmoney Service for a payment to be made to a Receiver (such as, but not limited to, name, mobile telephone number, email address, and bank account and routing number information).

"Payment Network" means a payment network (such as the ACH Network or ACCEL / Exchange payment network) through which funds may be transferred.

"Receiver" is a person or business entity that is sent a payment transaction through the Popmoney Service.

"Sender" is a person or business entity that sends a payment transaction through the Popmoney Service.

b. Initiation of Payment Transactions. You may initiate (a) a one-time payment transaction to a Receiver for which processing shall be initiated immediately, (b) a one-time payment transaction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and (c) a recurring series of payment transactions to a Receiver for which processing shall be initiated on the specified dates. Payment transactions initiated to Receivers are processed in two ways. You can provide all the required information about the Receiver, including his/her Eligible Transaction Account, necessary to complete an ACH Network transfer of funds. Alternatively, you can provide contact information about the Receiver (including an email address or mobile telephone number) and the Popmoney Service may contact the Receiver and request that the Receiver (i) provide information so that we may validate the identity of the Receiver at the Popmoney Website and then (ii) provide Eligible Transaction Account information in order to complete the payment transaction (a "Two-Step Transfer"). If the Receiver maintains an Eligible Transaction Account with an institution that participates in the Popmoney Service, the Receiver may access the Popmoney Service at his or her financial institution's website or mobile application to complete the payment transaction and receive the payment. You understand and agree that when you initiate a payment transaction from an Eligible Transaction Account using the Popmoney Service, the processing of the payment transaction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, the payment funds will be transferred into the Receiver's Eligible Transaction Account no earlier than the next Business Day after you initiated the payment transaction. If you request a one-time payment transaction to be initiated on a specified date or a recurring series of payment transactions to be initiated on specified dates, then the processing of the payment transaction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). However, the payment funds will be transferred into the Receiver's Eligible Transaction Account no earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not provided the Popmoney Service with certain required information such as his or her Eligible Transaction Account information.

c. Payment Authorization and Payment Remittance. By providing us with names and telephone numbers, email addresses, and/or account information of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Popmoney Service. When we receive a Payment Instruction from you, you authorize us to debit your Eligible Transaction Account and remit funds on your behalf. You also authorize us to credit your Eligible Transaction Account for the receipt of payments, including but not limited to those payments returned to us from Receivers to whom you sent payment(s) or canceled and returned to you because the processing of the payment transaction could not be completed. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information or payment instructions (including but not limited to the Payment Instructions and name, telephone number and/or email address that the Sender enters for the Receiver to whom you are sending the payment transaction), and for informing us as soon as possible if they become aware that this information is inaccurate. Neither the Sender nor Receiver may use a P.O. Box as a postal address. We will make a reasonable effort to stop or recover a payment transaction made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver. We will use reasonable efforts to complete all your payment transactions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:

i. If, through no fault of ours, the Eligible Transaction Account does not contain sufficient funds to complete the payment transaction or the payment transaction would exceed the credit limit of your overdraft account;

ii. The Popmoney Service is not working properly and you know or have been advised by us about the malfunction before you execute the payment transaction;

iii. The payment is refused;

iv. You have not provided us with the correct information, including but not limited to the correct Payment Instructions or Eligible Transaction Account information, or the correct name and address or mobile phone number of the Receiver to whom you are initiating a payment transaction; and/or,

v. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the payment transaction and we have taken reasonable precautions to avoid those circumstances.

d. Receiving Payments. If another person wants to send you a payment transaction using the Popmoney Service to an Eligible Transaction Account you hold with us, he or she can do that from an Eligible Transaction Account at a financial institution that participates in the Popmoney Service or at the Popmoney Website. You understand and agree that there may be a delay between the time you are notified of the pending payment transaction and the deposit of the payment funds into your Eligible Transaction Account, and you may be required to take additional steps to facilitate the deposit of the payment of funds into your Eligible Transaction Account. You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account and the Popmoney Website to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of payment transactions to you, and, as a Receiver, you may also receive electronic gift cards or requests from others for payment through the Popmoney Service.

e. Payment Methods and Amounts. We impose limits on the amount of money or gift card value you can send or receive. These limits may be adjusted from time-to-time at our sole discretion. You may log in to the Site to view your individual transaction limits. We also reserve the right to select the method in which to remit funds on your behalf, and the method to return funds to you in the event that your Eligible Transaction Account is closed or otherwise unavailable to us. These payment methods may include, but may not be limited to, an electronic or paper check payment.

f. Receipts and Transaction History. You may view your transaction history by logging into the online banking service and viewing your transaction history.

g. Calls to You. By providing us with a telephone number (including a wireless/cellular, mobile telephone number), you expressly consent to receiving autodialed and prerecorded message calls from us at that number for non-marketing purposes.

h. Service Providers. We are offering you the Popmoney Service through one or more service providers with whom we have contracted some or all of the services on our behalf. You agree that we have the right under this Agreement to delegate to our service providers certain rights and performance obligations that we have under this Agreement, and that our service providers will be intended third party beneficiaries of this Agreement and will be entitled to the applicable rights and protections that this Agreement provides to us.

i. Prohibited Payments. The following types of payments are prohibited and we have the right but not the obligation to monitor for, block and/or reverse such payments:

- Payments to or from persons or entities located in prohibited territories;

- Payments that violate any law;

- Payments for donations or payments to an unauthorized charity or non-profit organization

- Payments that violate any terms in this Agreement; and

- Payments related to tax or court ordered obligations, gambling, any unlawful activity, or any objectionable purpose as we reasonably determine.

In no event shall we be obligated to research or resolve or be liable for any claims or damages resulting from your scheduling of prohibited payments. Payments may be held for review to confirm legitimacy of the payment. Loss to the credit union or our affiliates may result in interruption of services.

5. Account-to-Account ("A2A")SM Transfer Service.

You also authorize us to reverse a transfer from your Recipient Account if the debit is returned from the Transaction Account for any reason, including but not limited to non-sufficient funds.

c. Transfer Methods and Amounts. We may, at our sole discretion, impose limits on the amount of money you can transfer through our A2A Service. We also reserve the right to select the method in which to transfer funds on your behalf, and the method to return funds to you in the event that the Recipient Account is closed or otherwise unavailable to us.

d. Transfer Cancellation Requests and Refused Transfers. You may cancel a transfer at any time until it begins processing. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied transfer to your Transaction Account. If this is unsuccessful (for example, the Transaction Account has been closed) we will make reasonable attempts to mail you a paper check. If after ninety (90) days (or longer, depending on our then-current standard for unclaimed checks) that check has not been cashed, we will stop payment on it and transfer funds to an “unclaimed funds” account, and will subsequently handle the unclaimed funds as required or otherwise permitted by applicable law.

e. Stop Payment Requests. If you as a Sender desire to stop any transfer that has already been processed, you must contact us. Although we will make a reasonable effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request in writing within fourteen (14) days. The charge for each request will be the current charge for such service as set out in the applicable fee schedule.

f. Your Responsibilities for Accurate Information. Your enrollment in the A2A Service may not be fulfilled if we cannot verify your identity or other necessary information. Through your enrollment in the A2A Service, you agree that we reserve the right to request and review of your credit rating at our own expense through an authorized bureau. It is your responsibility to ensure the accuracy of any information that you enter into the A2A Service, and for informing us as soon as possible if you become aware that this information is inaccurate. You may not use a P.O. Box as a postal address. We will make a reasonable effort to stop or recover a transfer made to the wrong Recipient Account once informed, but we do not guarantee such recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by you.

We will use reasonable efforts to make all your transfers properly. However, we shall incur no liability if we are unable to complete any transfers initiated by you because of the existence of any one or more of the following circumstances:

i. If, through no fault of ours, the Transaction Account does not contain sufficient funds to complete the transfer or the transfer would exceed the credit limit of your overdraft account;

ii. The A2A Service is not working properly and you know or have been advised by us about the malfunction before you execute the transaction;

iii. The transfer is refused;

iv. You as a Sender have not provided us with the correct information, including but not limited to the correct Transaction Account or Recipient Account information; and/or,

v. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution(s), or interference from an outside force) prevent the proper execution of the transfer and we have taken reasonable precautions to avoid those circumstances.

g. Failed Or Returned Transfers. In using the A2A Service, you are requesting us to make transfers for you from your Transaction Account. If we are unable to complete the transfer for any reason associated with your Transaction Account (for example, there are insufficient funds in your Transaction Account to cover the transaction), the transfer may not be completed. In some instances, you will receive a return notice from us. In each such case, you agree that: (a) You will reimburse us immediately upon demand the transfer amount that has been returned to us; (b) For any amount not reimbursed to us within fifteen (15) days of the initial notification, a late charge equal to one and a half percent (1.5%) monthly interest or the legal maximum, whichever rate is lower, for any unpaid amounts may be imposed; (c) You may be assessed a fee by us if the transfer is returned because you have insufficient funds in your Transaction Account to cover the requested transfer or if we cannot otherwise collect the funds from you; the fee amount will be as set forth in your fee schedule from us or your Account agreement with us. You hereby authorize us to deduct these amounts from your designated Transaction Account by ACH debit; (d) You will reimburse us for any fees or costs we or they incur in attempting to collect the amount of the return from you; and, (e) We are authorized to report the facts concerning the return to any credit reporting agency.

h. Refused Transfers. We reserve the right to refuse any transfer to a Recipient Account. We will notify you promptly if we decide to refuse to transfer funds to a Recipient Account. This notification is not required if you attempt to make a prohibited transfer under this Agreement.

i. Returned Transfers. In using the A2A Service, you understand transfers may be returned for various reasons such as, but not limited to, Recipient Account number is not valid. We will use reasonable efforts to research and correct the transfer to the intended Recipient Account or void the transfer and credit your Transaction Account. You may receive notification from us.

j. Service Providers. We are offering you the A2A Service through one or more service providers with whom we have contracted some or all of the service to our behalf. You agree that we have the right under this Agreement to delegate to our service providers certain rights and performance obligations that we have under this Agreement, and that our service providers will be intended third party beneficiaries of this Agreement and will be entitled to the applicable rights and protections that this Agreement provides to us.

If the Internet Banking Wire Transfer Service is requested and approved for you, the Credit Union will provide you the ability to instruct the Credit Union to send domestic funds transfers ("Wire Transfer"), through Internet Banking ("Wire Transfer Services"), which create obligations from you to the Credit Union. You understand and acknowledge that execution of any Payment Order to the Credit Union is subject to the following terms and requirements.

a. Authorization Users. You will designate online the person(s) whom you have granted authority to transmit Wire Transfers via Internet Banking ("Authorized Users"). The Credit Union may rely on your designation to transmit Wire Transfers via Internet Banking. You understand that any transaction by a business owner, employee, agent representative or anyone you authorize to transact business on your account or any transaction by an Authorized User that exceeds the specific transaction authority you have provided, are considered authorized transaction for which you remain fully responsible. You are responsible for safeguarding your business, financial and personal data, passwords and other information to prevent unauthorized access to or use of your accounts or service.

b. Payment Orders. You may instruct the Credit Union to execute a Wire Transfer(s) on your behalf (each a "Payment Order") by submitting the Payment Order to the Credit Union in such form as the Credit Union requires, and by following the procedures established by the Credit Union for verifying the authenticity of Payment Orders ("Security Procedure").

c. Security Procedure. You agree to use the Credit Union's Security Procedure, as set forth in this Section, and as such Security Procedure may be amended as agreed upon by you and the Credit Union from time to time, for the purpose of verifying the authenticity of Payment Orders and communications amending or canceling Payment Orders. The Credit Union's Security Procedure consists of a combination of security devices, questions and protocols, which include Tokens, Passwords, Out of Band Authentication and Internet Banking Wire Transfer Limits, which are described in more detail below. The Credit Union maintains commercially reasonable Security Procedures based primarily of its knowledge of the service users' circumstances and its knowledge of security procedures employed by similarly situated users and receiving banks. You and your Authorized Users and other agents shall maintain the highest possible level of confidentiality with regard to the Security Procedure, and will take all steps necessary to prevent access to them by unauthorized persons. You agree to notify us immediately following your discovery of any unauthorized use. Subject to the Credit Union's obligations under this Agreement, the Credit Union will have no liability in connection with, or resulting from, the execution of any wire transfer by the Credit Union that was verified pursuant to the Security Procedure, except to the extent ORS 74A prohibits the parties from varying the Credit Union's liability with respect to such wire transfers. You understand that the Security Procedure is not for the purpose of detecting errors in transmission or content of a Payment Order or a Wire Transfer.

i. OOB. The Security Procedure utilizes two factor authentication OOB technology. To initiate Wire Transfers via Internet Banking, OOB may be required over a certain dollar limit, as agreed upon between you and the Credit Union. An Authorized User must be in physical possession of the registered phone for OOB to Initiate a Wire Transfer. You agree that it is your sole and absolute responsibility to secure and protect access to all phones used for two factor authentication.

ii. Internet Banking Wire Transfer Limits. Limits on the amount of Internet Banking Wire Transfers will be established and agreed upon between You and the Credit Union. Internet Banking Wire Origination Limits may be set on a master level and may be set by you at user level. You authorize the Credit Union to reject Payment Orders that exceed established Internet Banking Wire Origination Limits

d. Rejection of Wire Transfer Instructions. The Credit Union may, at its sole discretion, but without obligation or duty to do so except to the extent otherwise specifically provided in this Agreement, by a notice of rejection delivered orally, electronically or in writing, reject any Payment Order, including, without limitation, any Payment Order that the Credit Union believes (a) exceeds the collected and available funds on deposit in your designated Account(s); (b) exceeds any of the Internet Banking Wire Transfer Limits; (c) is not authenticated to the Credit Union's satisfaction, or which the Credit Union otherwise believes may not be authorized by you; (d) contains incorrect, inconsistent, ambiguous, or missing information; (e) involves funds which are subject to a lien, security interest, claim hold, dispute, or legal process prohibiting withdrawal; (f) exceeds legal, regulatory, payment system or governmental policy limitation; (g) may have been issued without proper authorization; or (h) is incomplete. The Credit Union shall incur no liability to you for any losses incurred by the Credit Union's refusal, with or without notice to you, to honor any Payment Order.

e. Cancellation of Payment Orders. The Credit Union is not obligated (and is not liable for its failure) to cancel or amend a Payment Order after its receipt by the Credit Union. The Credit Union will, however, make reasonable efforts to comply with your request to cancel or amend a Payment Order. Any request for cancellation or amendment must be made in compliance with the Security Procedure. You will indemnify and hold the Credit Union harmless from any and all liabilities, costs and expenses the Credit Union may incur in canceling or amending, or in attempting to cancel or amend, a Payment Order.

f. Execution of Payment Orders. The Credit Union is authorized to execute Payment Orders, and to charge your Accounts for such Payment Orders, without inquiry as to the circumstances of issue or the disposition of the proceeds, even if drawn to the individual order of any of the Authorized Users or payable to others for the Authorized User's account. The Credit Union will use commercially reasonable efforts to execute Payment Orders on the Business Day of receipt if (a) the Credit Union received the Payment Order and is able to authenticate it before the Credit

Union's cutoff time, and (b) the day the Payment Order is received is a funds transfer Business Day for the Credit Union. In any event, a transfer from an Account with the Credit Union can be processed on the same Business Day a Payment Order is received by the Credit Union only if the Credit Union accepts the Payment Order and you have received confirmation communicated through the System by 2:30 p.m. Pacific Time on that same Business Day that the Payment Order was successfully transmitted to the Credit Union via Internet Banking. The Credit Union may change its cutoff times without prior notice to you. You shall complete all Payment Orders in the form and format designated by the Credit Union.

g. Transmission of Funds. The Credit Union may employ any reasonable means it chooses for the transmission of funds pursuant to a Payment Order. The Credit Union is not responsible for (i) performance failure as a result of an interruption in transfer facilities, labor disputes, power failures, equipment malfunctions, suspension of payment by another bank, refusal or delay by another bank to accept the wire transfer, war, emergency conditions, fire, earthquake, or other circumstances not within the Credit Union's control; or (ii) for any other performance failure that is not a result of the Credit Union's breach of this Agreement.

h. Reliance on Identifying Numbers and Other Information. The Credit Union may rely, without incurring liability to you, on information (including names, amounts and account numbers) provided by you and/or your Authorized Users on the Authorization, in the Payment Order or otherwise when executing or otherwise processing a Payment Order, even if such information is incorrect. The Credit Union may, in such circumstances, charge your Account(s) and assess Customer with Obligations. Accordingly, you understand that when a Payment Order identifies by name and number a beneficiary financial institution, intermediary financial institution or beneficiary, the Credit Union and every receiving or beneficiary financial institution may rely on the identifying number to make payment, regardless of whether the number matches the named financial institution, person or account. You are responsible for immediately providing the Credit Union with updated Authorization forms reflecting any changes in authorization of your personnel.

i. Maintaining Available Funds. You will maintain a deposit account with available funds to cover any Wire Transfer. If funds are not available, or if the amount of the Payment Order exceeds the Internet Banking Wire Transfer Limits at the time the Payment Order is submitted or at any time prior to initiation of the Wire Transfer, the Credit Union may elect not to initiate the Wire Transfer.

j. Limitations of Liability. THE CREDIT UNION'S LIABILITY FOR INTERNET BANKING WIRE TRANSFER SERVICES IS SOLELY AND EXCLUSIVELY LIMITED TO YOUR ACTUAL PECUNIARY LOSSES AND THE REMEDIES SET FORTH IN ORS CHAPTER 74A (AS APPLICABLE), EXCEPT AS THE TERMS OF SUCH STATUTE ARE EXPRESSLY VARIED BY THIS AGREEMENT. UNDER NO CIRCUMSTANCE WILL THE CREDIT UNION BE LIABLE FOR ANY SPECIAL, INCIDENTAL (EXCEPT AS MAY OTHERWISE BE SPECIFICALLY PROVIDED IN ORS 74A.3050(2), AS APPLICABLE), INDIRECT, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS OF ANY KIND, LOSS OF PRODUCTION, DOWNTIME COSTS OR CLAIMS AGAINST YOU BY OTHERS.

The amount that you will be eligible to withdraw will be disclosed to you at account opening. The standard amount available for withdrawals is \$505.00.

b. Deposits. The servicing and processing schedule of automated teller machines may result in a delay between the time a deposit is made and when it will be available for withdrawal. You should refer to the Credit Union's funds availability schedule.

c. Transfers. You may transfer between your regular savings and checking accounts up to the balance in your accounts at the time of the transfer at available locations.

10. Phone Banking (Audio Response).

If we approve the Phone Banking audio response access service for your accounts, you must designate a separate six (6) digit Personal Identification Number (access code). Phone Banking service will be available for your convenience seven (7) days per week. This service may be interrupted for short time each day for data processing. While there is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one day, there are certain limitations on transfers from a Money Maker account. Transfers from a Money Maker account will be limited to six (6) in any one month. No transfer or withdrawal may exceed the available funds in your account. The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. Withdrawals made by check may not exceed the amount in your account. All checks are payable to you as a primary member and will be mailed to your address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. There is no limit on the number of transaction requests you may make during a single phone call. The system will also discontinue service after five unsuccessful attempts to enter a transaction.

11. Remote Deposit Service.

a. Remote Deposit Capture Process. If we approve the Remote Deposit service for you, you must use your PIN with your Login to access your accounts. You may photograph an image of checks with your Remote device creating an electronic image and you may transmit the electronic image that the Credit Union will deposit to your account. The Credit Union's processing agent shall perform an image quality assessment of the imaged checks and shall convert items meeting the Credit Union's required standards into substitute checks to facilitate the deposit and collection of such items. You agree that the manner in which checks are cleared or presented for payment shall be determined by Credit Union, in its sole discretion. We reserve the right to select the clearing agents through which we clear checks.

b. Deposit Acceptance & Funds Availability. You agree that Credit Union may at any time, in its sole discretion, refuse to accept deposits of checks from you via Remote Deposit session. In the event that the Service is interrupted or are otherwise unavailable, you may deposit checks in-person at a Credit Union branch or via night drop or mail or other contractually acceptable method. Funds from items deposited through the Service by 4 p.m. PST will usually be available within two business days provided the item is cleared by the payor bank and the Credit Union has been given credit. There may be additional holds on deposited items as set forth in the Credit Union's Funds Availability Policy disclosure, as amended from time to time, which is incorporated herein by reference. The Credit Union reserves the right to place a hold on deposit amounts over \$500.00 for up to five (5) business days. For purposes of determining the cut-off period for the availability of funds, checks deposited via Remote Deposit session are considered received by the Credit Union when the checks have cleared and funds are available to the Credit Union. You agree that the imaging and transmitting of checks alone does not constitute receipt by Credit Union. Also, acknowledgment of receipt or delivery does not constitute an acknowledgment by Credit Union that the transmission of a check or items does not contain errors or that funds will be available.

c. Member Responsibilities

i. Member Settlement Account. You must designate a Credit Union savings or checking or loan account as the settlement account to be used for the purposes of settling, transactions requested in connection with the Service. iii. Deposit Requirements. You agree that you will only use the Service to deposit checks payable to you, drawn on financial institutions within the United States, excluding its territories.

You are limited to making deposits of up to \$3,000 per item and up to \$5,000 per day. For checks not falling within this requirement, including but not limited to: checks payable to others or made payable to a business, traveler's checks, money orders, foreign checks, substitute checks or returned checks, postdated or stale dated checks (more than 6 months old) you must deposit those checks in person, using a night drop facility or by U.S. Mail. You agree that each check you deposit through the Service will meet the image quality standards directed in the application.

iv. Check Retention & Destruction. You agree that all checks belong to you and not to the Credit Union and that those items shall be handled in accordance with this Agreement and your Membership and Account Agreement. After our receipt of a deposit transmission we will acknowledge by electronic means our receipt of such transmission. Your electronic transmission is subject to proof and verification. You will retain the original of all imaged checks that have been deposited via Remote Deposit for a reasonable period of time in order to verify settlement and credit or to balance periodic statements, but in no case beyond thirty-five (35) days from the date processed. It is your responsibility to properly destroy and dispose of such original checks after such time. During the period that you maintain any original checks, you understand and agree that you must use a high degree of care to protect these original checks against security risks. These risks include, without limitation, (i) theft or reproduction of the original checks (including by employees) for purposes of presentment for deposit of these original checks (i.e., after the original checks have already been presented for deposit via the Service) and (ii) unauthorized use of information derived from the original checks. When you dispose of any original checks, you understand and agree that you must use a high degree of care when selecting and implementing disposal procedures to ensure that the

original checks are not accessed by unauthorized persons during the disposal process and, once destroyed, the original checks are no longer readable or capable of being reconstructed.

v. Deposit Prohibitions. You agree not to deposit, or attempt to deposit, or allow others, either directly or indirectly, to deposit, or attempt to deposit, by any means: (i) any Substitute Check, the original of which has already been presented for deposit via the Service, (ii) any image of a check that has already been deposited either as an original or as a substitute check, or (iii) any original check, the Substitute Check of which has already been presented for deposit via Remote Deposit. In the event that you, or any third party, makes, or attempts to make, a deposit in violation of this Subsection you agree to defend, indemnify, and hold Credit Union and its agents harmless from and against all liability, damage and loss arising out of any claims, suits, or demands brought by third parties with respect to any such Substitute Check or original check. You agree that the aggregate amount of any items which are deposited more than once will be debited from your account, and to the extent funds in your account are insufficient to cover such amount, any balance shall be debited by Credit Union from any other deposit accounts with Credit Union in its sole discretion. You further acknowledge that you and not the Credit Union is responsible for the processing and handling of any original items which are imaged and deposited utilizing the Service and you assume all liability to the drawer of any item imaged using the service or liability arising from the Credit Union's printing of any substitute check from those images.

vi. Your Representations and Warranties. You represent and warrant: (i) that you will comply with all federal and state laws, and rules and regulations applicable to deposit and check transactions, including those of the National Automated Clearing House for ACH transactions;(ii) that all checks deposited through the Service are made payable to you; (iii) that all signatures on each check are authentic and authorized; and (iv) that each check has not been altered. In the event you breach any of these representations or warranties, you agree to defend, indemnify and hold Credit Union and its agents harmless from and against all liability, damages and loss arising out of any claims, suits or demands brought by third parties with respect to any such breach. You further authorize the Credit Union to charge its account for the amount of any such demand, claim or suit that constitutes a breach of warranty claim under the provisions of the Uniform Commercial Code.

vii. Financial Responsibility. You understand that you remain, solely and exclusively responsible for any and all financial risks, including, without limitation, insufficient funds associated with accessing the Service. The Credit Union shall not be liable in any manner for such risk unless Credit Union fails to follow the procedures described in materials for use of the service. You assume exclusive responsibility for the consequences of any instructions you give to the Credit Union, for your failures to access the Service properly in a manner prescribed by the Credit Union, and for your failure to supply accurate input information, including, without limitation, any information contained in an application.

viii. Responsibility for Endorsement. For all mobile check deposits, you must endorse the original paper check with your name and providing: "FOR ROGUE CREDIT UNION MOBILE CHECK DEPOSIT ONLY". If you fail to provide this endorsement, we may refuse the deposit and return it to you and you agree to indemnify the Credit Union from any liability or loss to the Credit Union arising from the payment of the original paper check without such required endorsement.

ix. Account Reconciliation. You will verify and reconcile any out-of-balance condition, and promptly notify the Credit Union of any statement transaction errors within the time periods established for statement examination in the Membership and Account Agreement after receipt of your account statement. If notified within such period, the Credit Union shall correct and resubmit all erroneous files, reports, and other data at the Credit Union's then standard charges, or at no charge, if the erroneous report or other data directly resulted from the Credit Union's error.

d. Credit Union's Obligations.

i. Financial Data. We will review and process your electronic file through a batch processing at one time per day. The Credit Union agrees to transmit all the financial data under its control required to utilize the service selected by you and to act on appropriate instructions received from you in connection with such service. The Credit Union shall exercise due care in seeking both to preserve the confidentiality of the user number, password, test key, or other code or identifier and to prevent the use of the service by unauthorized persons (and in this connection it is understood and agreed that implementation by the Credit Union of its normal procedures for maintaining the confidentiality of information relating to its members, and where practicable the obtaining by the Credit Union from any third parties engaged in the installation, maintenance and operation of the system of similar undertakings, shall constitute fulfillment of its obligation to exercise due care) but shall not otherwise be under any liability or have any responsibility of any kind for any loss incurred or damage suffered by you by reason or in consequence of any unauthorized person gaining access to or otherwise making use of the service. You assume full responsibility for the consequences of any misuse or unauthorized use of or access to the Service.

ii. Service Availability. You understand that Service availability is at all times conditioned upon the corresponding operation and availability of the communication systems used in communicating your instructions and requests to the Credit Union. We will not be liable or have any responsibility of any kind for any loss or damage thereby incurred by you in the event of any failure or interruption of such communication systems or services resulting from the act or omission of any third party, or from any other cause not reasonably within the control of the Credit Union.

iii. Exception Items. When we review and process your electronic file, we may reject any electronic image that we determine to be ineligible for the service ("Exception Item") including, without limitation, electronic images of items drawn on banks located outside the United States, items drawn on U.S. Banks in foreign currency, electronic images that are illegible (due to poor image quality or otherwise), electronic images of items previously processed, electronic images previously converted to substitute checks, and electronic images with unreadable MICR information. We may notify you of any Exception Items. You agree that if you wish to attempt to deposit any Exception Item to any of your accounts with Credit Union, you will only do so by depositing the original item on which the Exception Item is based. You acknowledge and agree that even if you do not initially identify an electronic image as an Exception Item, the substitute check created by the Credit Union there from may nevertheless be returned to Credit Union because, among other reasons, the electronic image is deemed illegible by a paying bank. Credit Union's failure to identify an Exception Item shall not preclude or limit your obligations to Credit Union.

iv. Account Information. We will provide you with daily transaction history via the Internet and Mobile Banking service detailing items processed, return items, and deposit adjustments.

v. Retention of Check Images. We will retain any substitute checks it generates for seven (7) years.

e. Service Fees. Currently there is no monthly fee for the Remote Deposit Service. You agree to pay all fees and charges for deposit services as set forth on the Rate and Fee Schedule. All Service Fees are subject to change by Credit Union upon twenty-one (21) days written notice to Member.

WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE CREDIT UNION DISCLAIMS ANY WARRANTIES REGARDING THE OPERATION, PERFORMANCE OR FUNCTIONALITY OF THE SERVICE (INCLUDING, WITHOUT LIMITATION, THAT THE SERVICE WILL OPERATE WITHOUT INTERRUPTION OR BE ERROR FREE). MEMBER FURTHER ACKNOWLEDGES THAT THERE ARE CERTAIN SECURITY, CORRUPTION, TRANSMISSION ERROR AND ACCESS AVAILABILITY RISKS ASSOCIATED WITH USING OPEN NETWORKS SUCH AS THE INTERNET AND/OR TELECOMMUNICATION LINES OR CIRCUITS. MEMBER HEREBY ASSUMES ALL RISKS RELATING TO THE FOREGOING.

g. Credit Union's Liabilities.

i. Direct Damages. THE CREDIT UNION'S LIABILITY FOR REMOTE DEPOSIT SERVICES SHALL BE LIMITED TO DIRECT DAMAGES SUSTAINED BY MEMBER AND ONLY TO THE EXTENT SUCH DAMAGES ARE A DIRECT RESULT OF THE CREDIT UNION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; PROVIDED THAT THE MAXIMUM AGGREGATE LIABILITY OF THE CREDIT UNION RESULTING FROM ANY SUCH CLAIMS SHALL NOT EXCEED ONE HUNDRED DOLLARS. IN NO EVENT SHALL THE CREDIT UNION BE LIABLE FOR SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND INCLUDING LOST PROFITS WHETHER OR NOT THE CREDIT UNION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE. THE CREDIT UNION'S LICENSORS OR SUPPLIERS WILL NOT BE SUBJECT TO ANY LIABILITY TO MEMBER IN CONNECTION WITH ANY MATTER.

ii. Your Duty to Report Errors. You will notify Credit Union of any errors, omissions, or interruptions in, or delay or unavailability of, the Services as promptly as practicable, and in any event within one business day after the earliest of discovery thereof, or the date discovery should have occurred through the exercise of reasonable care, and, in the case of any error, within fourteen (14) days of the date of the earliest notice to you which reflects the error. Your failure to notify Credit Union of any error, omission, or other discrepancy within seven (7) days from the date of a loss shall relieve Credit Union of any liability for such error, omission, or discrepancy.

h. Credit Union's Performance.

You acknowledge and agree that Credit Union shall not be liable for any damages or loss of any kind resulting from any unintentional error or omission by Credit Union in performing the Service, in accordance with or unintentional deviation from the terms and conditions of this Agreement. You acknowledge that Credit Union's systems and procedures established for providing the Service are commercially reasonable.

12. Conditions of Service Use.

The use of your Business Electronic Services is subject to the following conditions:

a. Ownership of Cards. Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be repossessed at any time in our sole discretion without demand or notice. You cannot transfer your Card or Account to another person. You may not use the Card for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness.

b. Honoring the Card. Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your Account in lieu of a cash refund.

c. Currency Conversion/Foreign Transaction Fee. Purchases and cash advances made in foreign countries will be billed to you in the U.S. dollars. The currency conversion rate for international transactions as established by VISA International, Inc. is a rate selected by VISA from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate VISA itself receives, or the government-mandated rate in effect for the applicable central processing date. In addition, you will be charged a Foreign Transaction Fee of up to 1% of the transaction amount for any card transaction made in a foreign country.

13. Authorized Access and Use.

a. Authorized Access. If you authorize anyone to access or use your account, you understand that person may access and use the Internet or Mobile Banking service to review all of your account information and make account transactions. Therefore, we are entitled to act on transaction instructions received using your access code and you agree that the use of your access code will have the same effect as your signature authorizing transactions. If you authorize anyone to access or use your access code in any manner, that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying the Credit Union immediately so the Credit Union has time to act upon your instructions. You are responsible for any transactions made by such persons until you notify us that transactions and access by that person are no longer authorized and your access code is changed.

b. Security of Access Code (Password). The access code is your Personal Identification Number (Password) you select for your security. Your Password is confidential and should not be disclosed to third parties or recorded. You are responsible for safekeeping your Password. You agree not to disclose or otherwise make your Password or Wireless Device for Mobile Banking available to anyone not authorized by you to sign on your accounts. If you authorize anyone to have or use your Password or Wireless Device, you understand that person may use the Internet Banking or Mobile Banking service to access and review all of your account information and execute account transactions. Therefore, we are entitled to act on transaction instructions received using your Password and you agree that the use of your Password will have the same effect as your signature authorizing transactions. If you fail to change your Password or maintain the security of your Password and the Credit Union suffers a loss, we may terminate your electronic services immediately.

14. Member Liability.

a. Transaction Authorization. Under this Agreement, you are responsible for all transactions you authorize using any Electronic Services. If you permit other persons to use your Password, you are responsible for any transactions they authorize or conduct on any of your accounts. However, you must notify us immediately if you believe anyone has used your Password and accessed your accounts without your authorization.

b. Limits on Business Accounts. The Credit Union will not be responsible for any losses or damages you may incur regarding the unauthorized access to or use of your account through the service.

c. Liability. If you permit other persons to use an Electronic Service, Card or access code, you are responsible for any transactions they authorize or conduct on any of your accounts. If you suspect that your VISA Business Check Card or card number has been lost or stolen, you may not be responsible for any unauthorized Card transactions if you report the theft within two days. Upon prompt notification from you of any unauthorized VISA transactions, the Credit Union will limit your liability for the Card transactions only to zero dollars (\$0), subject to the conditions below. We will require your notification to be received within 60 days of the mailing date of the first statement showing any unauthorized VISA transaction. In evaluating your claim, we will consider whether your gross negligence has contributed to the transactions in question. If we reasonably determine that you were grossly negligent or fraudulent in the handling of the card or account, you may be liable for the entire transaction amount. We will provide you with provisional credit for an unauthorized VISA transaction within 5 business days from our receipt of your notification, only if you provide us with written confirmation of the unauthorized VISA transaction. You understand that any Electronic Service transaction by a business owner, employee, or anyone you authorize to transact business on your account or any transaction by an authorized person that exceeds the transaction authority you have provided are considered authorized transactions for which you remain fully responsible.

The Credit Union shall have no liability to you for any loss, damage, cost, or expense arising out of this Agreement, except as provided by applicable law for any error or delay in performing the Services in this Agreement. We shall have no liability for not completing a transaction, if we receive actual notice or have reason to believe that you have filed for bankruptcy, the ownership of funds involving a transaction or the Authorized Representative's authority to conduct a transaction is in question; we suspect your account has been used for illegal or fraudulent purposes; or we reasonably believe that a transaction is prohibited by federal law, or this Agreement. We will not be liable if you fail to report any error or discrepancy reflected in a statement prepared by us, or if you fail to report a breach of a security procedure. If we fail to perform under this Agreement, our liability for damages, losses, and other compensation owing to you shall be limited to direct damages caused solely by the Credit Union. We shall not be liable for any loss, damage, liability, or claim arising directly or indirectly from any error, delay, or failure to perform hereunder which is beyond our control including but not limited to natural disasters, civil or foreign disturbances, power outages, acts of government, labor disputes, failures in communication or computer networks.

20. Termination of Services.

You or any other party to your account can terminate this Agreement by notifying us in writing. Termination of service will be effective the first business day following receipt of your written notice. However, monthly fees will apply for any partial month with no prorating. You authorize the Credit Union to deduct any such liability, loss, or expense from your account without prior notice to you. This Agreement shall be governed by and construed under the laws of the state of Oregon as applied to contracts entered into solely between residents of, and to be performed entirely in, such state. In the event either party brings a legal action to enforce the Agreement or collect any overdrawn funds on accounts accessed under this Agreement, the prevailing party shall be entitled to, subject to Oregon law, payment by the other party of its reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions, if applicable.
